Company stipulated above agrees to the following:

TERMS OF PAYMENT: In consideration of the extension of credit and establishment of a credit account, Company acknowledges liability for payment of amounts to Rackit Technology Corporation for delivery of products and/or services. Payment terms shall be granted by Rackit Technology Corporation to Company at Rackit Technology Corporation's sole discretion. Such granted payment terms may vary from order to order, at Rackit Technology Corporation's sole discretion. By signing this agreement, Company promises payment(s) will be made according to quoted terms on Rackit Technology Corporation's invoice(s) to Company. All past due invoices are subject to interest charges of one point five percent (1.5%) simple interest per month, or the maximum allowable by law. By signing this agreement, Company authorizes Rackit Technology Corporation to use any credit card that any Company representative had previously provided Rackit Technology Corporation with its details, as a means of payment in the event Company fails to pay Rackit Technology Corporation invoice(s) within the quoted payment terms stated on Rackit Technology Corporation invoice(s) to Company.

FEES AND COSTS: If Rackit Technology Corporation must take action to collect any balance owed by Company, Company agrees to pay all reasonable costs and expenses incurred in collection including, but not limited to, reasonable attorney's fees, credit-card fees and commissions, court costs, and interest thereon at the then maximum legal rate. In the event an Company's check used to pay money owed to Rackit Technology Corporation is not paid by the Company's bank for any reason, Company agrees to pay Rackit Technology Corporation a handling charge of Fifty US Dollars (\$50.00 USD) for each such not-paid check.

The Company-representative's signature below also authorizes Rackit Technology Corporation to use the financial, credit, and trade information provided hereby as Rackit Technology Corporation deems appropriate for evaluating Company's credit worthiness and/or for collecting any moneys owed by Company to Rackit Technology Corporation.
